### After School Update

Dear Families,

Good news! We have been approved for another grant through the Harvard After School Initiative (HASI). We will again partner with Young Audiences, Mass Movement, and Museum of Fine Arts on Wednesday half days starting October 31<sup>st</sup> and continuing through the end of the school year. Teaching artists will come from 2 – 4 pm and will cover fine

arts and dance. We will also take 2 field trips to the Museum of Fine Arts throughout the school year (more details will come).

If possible, please allow students to stay for the entire workshop times on half day Wednesday (2-4). This grant provides funds for extra instruction; there is still a \$3.50/hr fee to attend after school. We will have a small presentation of our work on December 5<sup>th</sup>

at 3 pm. We encourage everyone to attend.

If you are a parent of a student cast in the play, please allow your child to stay for rehearsals Mondays and Fridays from 5-6 pm. We will perform the play during the presentation on December 5<sup>th</sup>.

Thanks and let me know if you have any questions. What an exciting opportunity for After School!
