CONSERVATORY LAB
CHARTER SCHOOL

a public school for learning through music

From the Principal

Dear Parents,

Welcome back! I hope you all had a great summer, that you found time to relax and enjoy your family.

We have had an excellent start. The staff came back for a week in August for professional trainings. We covered a variety of topics from specific areas of learning to music to CPR. We have all prepared ourselves and the school well for your child's arrival back.

I would like to introduce you to our new staff:

- Christina Marasco and Meg Howe are our new Kindergarten teachers.
- Pampa Rotolo is our new Learning Through Music specialist and will share that role with Ms. Stampf-Rodriguez.
- Christopher Johnson is our Administrative Director and will be dealing with all business related aspects of the school.

- Camille Thompson is our after school coordinator.
- Ron Burgess is the school custodian.
- Ms. DePaola decided to move to Florida. Our new nurse is Donna Newbower. She will be starting with us mid-september. We currently have a temporary nurse in place.

Please welcome all of our new staff when you get a chance.

The students arrived back happy and ready to learn. It is very good to see them again.

I want to highlight that **Open House is September 18** from 6:00-8:00 p.m. Please be sure to attend.

I look forward to seeing you all involved in our school this year in any ways you can offer. My door is always open to you.

Sincerely,
Mark Jacobson, Principal
