Conservatory Lab Charter: A Learning Through Music School

We are an Expeditionary Learning pre-K to Grade 5 School in Brighton serving students from all parts of the city. We are on our 11th year and we are characterized by our Learning Through Music School (LTM) model. Music is our shared passion. Music unites us and is a powerful means to connect with our families and community. Music is a social activity and community builder. Music instills discipline and self-confidence. Equally important, one *plays* music whether as a listener or performer. Music performed well brings joy to performer and audience. The Board is considering the implementation of EL SISTEMA, a children's orchestra and social/emotional program for August 2010. The formal vote will occur in February 2010.

Visit Us!

Call us at 617-254-8904 and register for an information session at the school. Take a tour, sit in on Friday assembly, meet the administration, and hear about the curriculum and mission of Conservatory Lab Charter School.

Visiting Day:

February 12th, 2010 8:45am and 9:30am

**Conservatory Lab Charter School
25 Arlington Street
Brighton, MA 02135**
